Ulrike Wolff is the owner of DWMB DR. WOLFF MANAGEMENTBERATUNG and has been supporting and advising decision makers in large companies and organizations since 1996. She has an academic and professional background in social sciences (university degree in adult education, doctorate in developmental psychology) and banking (trainee programme / finance), followed by a career in corporate banking with a major German bank.

### Key Activities

#### Top Executive Coaching for individuals and top management teams, i.a.:

- Preparation for and accompanying integration in the (new) management board role.
- Sparring on relevant leadership and communication issues.
- Reflection on personal impactful presence and on self-made side effects in the role.
- Self-guidance in highly demanding and/or conflict constellations.
- Developing top team excellence: from the group at the top to a top team.

#### Board Coaching for top management teams and supervisory boards, i.a.:

- Facilitation of strategy debates within top management and/or supervisory board.
- Off-sites dedicated to collaboration and communication within / between the boards.

Ulrike Wolff supervises other coaches and consultants. In 2009 she founded "Rooftop", a collegial intervention circle together with 6 top executive coaches. The group also deals with advanced coaching concepts which meet up-to-date requirements in leadership excellence and top team play.

Ulrike Wolff is founding member and Senior Coach of DBVC (German Association of Coaching) where she has significantly contributed to establish the first Professional Coaching Standards (DBVC). Additionally, she holds membership of the International Positive Psychology Association (IPPA). Ulrike Wolff has a deep level of first-hand experience with various advisory and supervisory boards including a Swiss family foundation.
